

Help keep you and your family safe from fire...

Don't
play
with
fire

Don't play with lighters or matches

Test your smoke alarm with
a grown-up every week

Push the button and
check it beeps!

Plan your escape route

GET OUT
STAY OUT

CALL:

999

If you have any fire safety questions or worries write them down and take them to your teacher, ask him or her to email them to us and we'll get back to you.

We're happy to help!

For the grown-ups

For a free home safety visit from firefighters, who will fit a free smoke alarm, call 0800 169 0320.

Make sure you have a working smoke detector in your home. Hoover or dust it twice a year. Protect your family, don't put it off for another day.

If you would like further information on child fire safety or any other fire safety advice visit www.lbfire.org.uk or email us at enquiries@lbfire.org.uk.
