

Stay Safe this Christmas

DO make sure your...

- Smoke detectors are working
- Christmas decorations are kept away from naked flames
- Christmas tree lights conform to the British Standard

DO NOT...

- Do not overload electrical sockets
- Do not leave your Christmas lights on overnight or when the house is unoccupied
- Do not leave lit candles unattended

For a free Home Safety Check by local Firefighters, with the fitting of a free smoke detector as required, contact us on **0800 169 0320**
